

# BY\*PAS FC-30-P

METHANOL BASED - FREEZER CLEANER

## **DESCRIPTION:**

Removes spills and every day dirt and grime brought in by fork truck and foot traffic from super cold refrigeration and sub-zero freezer floors effectively without worry of it freezing to -30°F temperatures.

## **CONTAINER AVAILABILITY:**

5-Gal. Pail, 55 Gal. Drum

## **PHYSICAL PROPERTIES:**

Physical Form	Aqueous
Color	Blue
Odor	Alcohol
Density (lb/gal)	7.0-7.3
Soluble in Water	Complete
pH of concentrate	10.5

## **CAUTION: FLAMMABLE (Methanol)**

Do not use around sparks, flames or high heat. Do not smoke and use good hygiene practices when using. Always wear gloves and eye protection when handling this or any cleaning product. Store with lids closed, in room temperature and out of direct sunlight. Good ventilation is required when using this product. Keep out of the reach of children.

Refer to SDS for further safety information.

## **ADVANTAGES:**

No freeze to -30°F!

Low foaming cleaner removes dirt, grime, oils, food/beverages and other common contaminants from all types of floor surfaces and finishes!

Contains NO: phenol, phosphate, caustic or acids.

Use in mop buckets or in automatic floor scrubbers.

## **DILUTION RATIO'S:**

Normal Cleaning:

Use this product in its neat form and apply thru an automatic floor scrubber.

\*\*Diluting this product with water will raise the freeze point significantly so consult your By\*Pas representative before doing so in order to find out how much water can be added and still allow freeze protection.
